LCFEC - OREGONS DOG SHOW EVENT DESTINATION -

Linn County Expo has engaged in direct marketing to regional and national dog shows through targeted ad placements and sales calls. We have established ourselves as the premier destination for both large and small shows due to our central location, facility layout, competitive pricing and word of mouth customer experience. We have attracted many new breed shows to Linn County and the City of Albany. These shows are vital to the growth of our facility and county as a whole. 90% of all participants reside outside our area with 50% from outside the state and another 10% from outside the country. These participants are impacting our local economy in positive ways by renting hotel rooms, eating out at local restaurants, purchasing supplies and renting RV spots. We have come to know the expectation upon arrival and the little nuances these shows have between them. Our staff always go above and beyond the expectation to continue to grow and foster these great relationships.
