Resolution and Order 2024-217

Intergovernmental Agreement (No. 14550) Between the Oregon Youth Authority and Linn County Juvenile Department and Delegating Authority to Execute Originals.

RO 2024-217 is a renewal of the 20 year agreement between OYA and Linn County for the operation of the Linn Benton Juvenile Detention Center as part of the Oak Creek Youth Correctional Facility. This agreement takes into account the many different amendments which accompanied the previous agreement for things like parking, storage sheds, operating the gardening program. It also provides a framework to increase the rate for grounds maintenance performed by our work services crews. It provides for food service options, evacuation orders and other standard procedures to be determined by the facility superintendent and either the juvenile department director or juvenile detention manager.
