

LCSO plans medicine drop box day April 24

ALBANY — The Linn County Sheriff's Office is participating in the National Prescription Take Back Day on April 24, according to Sheriff Jim Yon.

There will be several drop boxes throughout the county — and there is a permanent box at the LCSO office, 1115 SE Jackson St. — where unwanted, unused or expired prescription medications can be safely disposed of.

Yon said any prescription or over-the-counter medications are acceptable. He asked that lids be secure on any liquids.

Not acceptable will be intravenous solutions, injectables, syringes, medical waste and needles.

Drop boxes will be at:

- Mill City, City Hall, 444 S. 1st Ave., 9-10 a.m.
- Scio Fire Hall, 38975 SW 6th Ave., 10:30-11:30 a.m.
- Halsey City Hall, 100 Halsey St., 1-2 p.m.
- Harrisburg City Hall, 120 Smith St., 2:30-3:30 p.m.

For more information, call the Linn County Sheriff's Office at 541-967-3950.
